

# CARTOON WORLD

## ARIE RAIN GLORIE

OPENING: Fri 18 July 6-8pm

DATES: 17 - 31 July 2025

*Cartoon World* is what happens when I follow a hunch—with a pencil, or a needle—and end up somewhere I didn't expect. Each felted figure or automatic drawing starts as a private impulse. Meaning comes later, usually when something makes me chuckle to myself. That's the moment I trust: the flicker of recognition in my neurodiverse brain. This show is a glimpse into that process. A world built from absurd logic, anxious gestures, and soft materials with strange desires. It's not clean or consistent, but it's mine. Welcome to my inner cartoon world.

Arie Rain Glorie has exhibited extensively across exhibitions, performance art and public art. They have presented work at The Substation, West Space, White Night, Melbourne Fringe (keynote commission), NGV (Melbourne Now), PICA, Gertrude Street Projection Festival, Seventh Gallery, Channels video art biennale and Craft Victoria.
