

BIRDS, DEATHS & MARRIAGES

BRAD M COLLINS

OPENING: Fri 8 Aug 6-8pm

DATES: 7 - 21 Aug 2025

Birds, Deaths & Marriages explores the symbolism and significance we place on animals, objects and places during pivotal times in our lives.

In the past year, I've experienced the passing of my mother, my best friends getting married and everything in between. I've witnessed the many ways people choose to handle love and grief and taken the time to contemplate how I handle them myself.

Humour is usually the answer.

Like a bird collecting twigs and trinkets, I'm collecting and contemplating the significance of specific objects or animals that act as a portal to a memory of a person or pivotal moment in our lives.
