

FLOURISH INKBOY

OPENING: Fri 8 Aug 6-8pm

DATES: 7 - 21 Aug 2025

FLOURISH

The goal of the show is to take you down the rabbit hole of my mind, a colourful uppercut to a world that often feels grey and heavy. Each frame and sculpture acts as a window into a playful world full of mischievous characters and themes from my travels back and forth to Japan. The gallery transforms into a world of whimsy and childlike nostalgia, leaving a smile on your face and warmth in your heart during a cold Melbourne winter. All the artworks come together to paint a universe just beyond reach.
