Bolla Hiriart is a Mexican painter on residency in Melbourne, Australia.

What happens when everything falls apart? When fear takes hold of you? When it seems there is no choice but to jump? It's not easy to get to the other side of the world with only a bag on your back.  
New place, new people, different language, different culture.

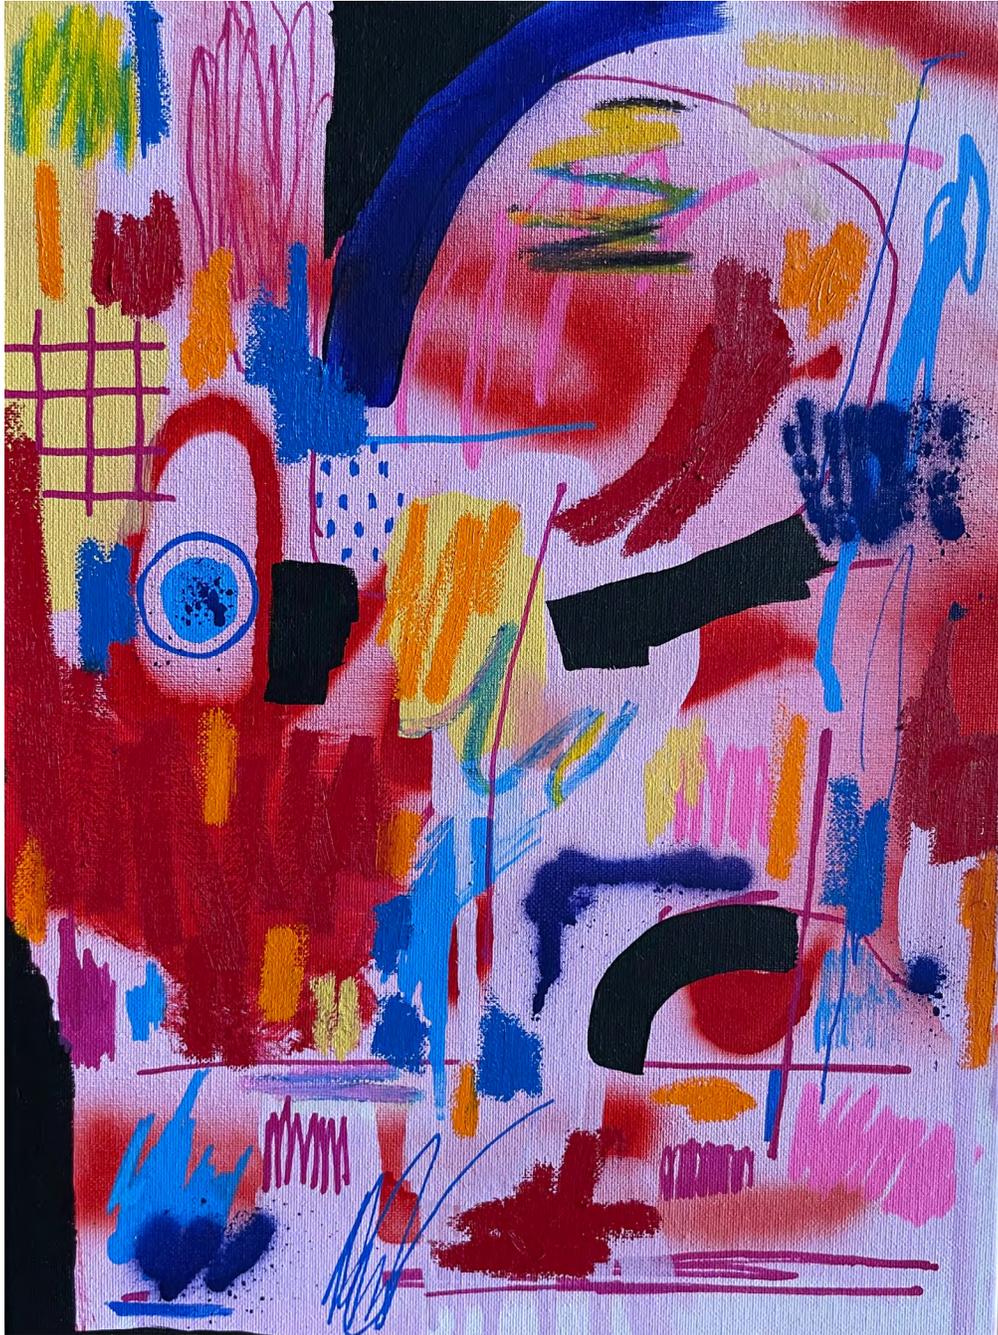

'Life is a series of accidents' is a small sample of all the things that needed to happen so that I could be here today presenting my creative work.
