

MOBILE REBELLION

CURATED BY CONSTANCE HUNTER

OPENING: Fri 24 May 6-8pm

DATES: 23 May - 6 June 2024

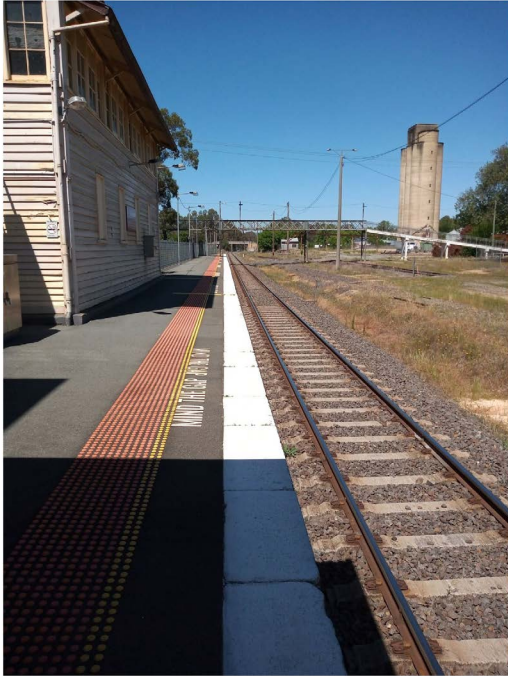

No matter how busy, artists continually find ways to express our creativity.

While running for the tram, in the break room at work, or weeding the garden, we take time to capture moments and tableaux that speak to us. We practise these 'small acts of rebellion', refusing at least momentarily to let life's busywork take precedence.

This group show highlights and celebrates these moments. All of these works are pictures taken on our mobile phones that have never been published, displayed, used in our art, or used as reference.

Now they are pulled into focus.
